THE ALLURE CAN BE DECEPTIVE

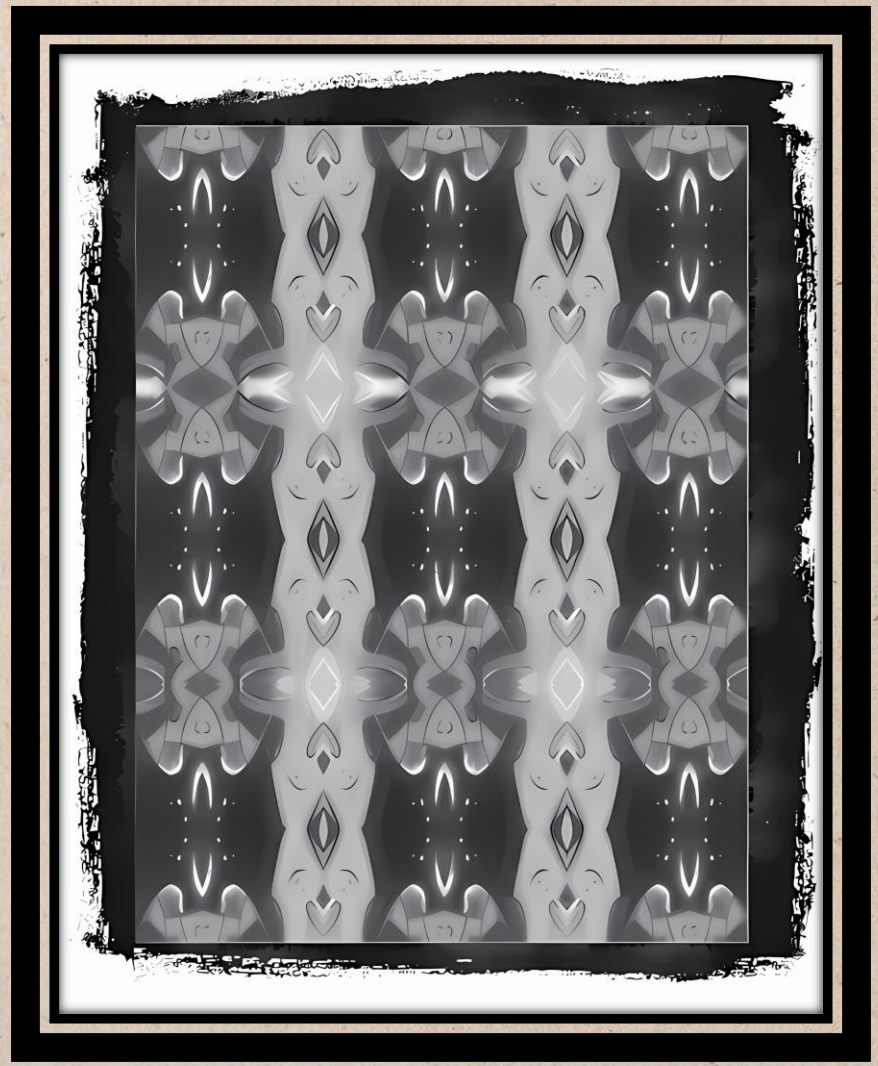
LADIES AND GENTLEMEN OF ALL SEVENTY-TWO KNOWN GENDERS:

It is advisable to disregard the group of Emil GOF Zombie Samples that may be milling about, as they pose no threat to you unless you ignore the cautionary note found on page #2 of your program.

THE ALLURE CAN BE DECEPTIVE

This warning explicitly advises against offering cigarettes or spare change for them to exchange for Happy Meals, regardless of how earnestly any of the Zombie Samples may plead for such items.
Their intentions may seem harmless, but adhering to the guidelines provided is crucial



THE ALLURE CAN BE DECEPTIVE

for your safety and peace of mind. Remember, the allure of their requests can be deceptive, so it's best to remain vigilant and follow the instructions laid out in your program to ensure a smooth experience.

The participants are involved in a unique initiative launched by the New National Government

THE ALLURE CAN BE DECEPTIVE

based in Tulsa, aimed at rehabilitating Zombie Samples through a rigorous “scared straight” program.
This program subjects them to an intensive regimen of twelve hours each day filled with my lectures, which delve into topics such as *"Why Johnny Can't Blink"* and the perils associated

THE ALLURE CAN BE DECEPTIVE

with Red Curry Pancake Addiction.

The underlying message emphasizes the importance of seeking direct passage to the Multiverse Transient Station, a facility managed by the FEMA Workforce Alliance.

For those interested in the details of this initiative, I invite

THE ALLURE CAN BE DECEPTIVE

you to turn to page #37 and join me in reading my next letter, which promises to shed further light on this intriguing subject.
